

## Storage Lockers

Storage lockers are a cost effective solutions for those areas of your facility that can be difficult to utilise. Lockers are a great way to increase your return!

We have a range of locker systems available, including wine lockers for wine storage.

### G&M lockers have:

- Colorbond® swing doors include self-storage locks with over locking facility
- Fit behind stair wells, over sized hallways or can be stacked together in unrented units
- Standard size available 1m<sup>3</sup> or custom sizing is available
- Locker units can be stacked in banks up to 3 units high
